

LEHIGH UNIVERSITY – APPRENTICE TEACHING CONTRACT

Juniors and seniors who wish to participate in apprentice teaching (AT) must have a 2.8 cumulative grade-point average **and** a 3.32 in at least two courses in the major field in which apprentice teaching is to be done. Before the Registrar can roster them for apprentice teaching (course number 300 in the department in which the apprentice teaching is done), this form must be completed, approved, and submitted to the Registrar. To complete the course, apprentice teachers must submit a written report on their experiences to the central coordinator in the Provost's Office. For more information about Lehigh's apprentice teaching program, call the coordinator in the Provost's Office.

Contract. In the space below, write a **brief** statement describing the duties the apprentice teacher will perform: i.e., brief lecturing, leading discussion, holding office hours for consultation with individual students, helping devise quizzes, etc. Include any other information relevant to the apprentice teaching relationship:
